

## Driving Directions to Picinguaba from São Paulo (GRU):

1. From the marginal Tiete take the Ayrton Senna freeway, SP-070, in the direction of Litoral norte (110 km) to Taubaté. Do not exit onto Estrada dos Tamoios in the direction of Ubatuba.
2. Take the exit 129 to the Nova Dutra road in the direction of Taubaté (6km).
3. Once on the Nova Dutra road, go for 6 km and take the exit 111 for Taubaté (turn left in the roundabout) and follow the Rodovia Oswaldo Cruz road , SP-125, for 96 km always following signs to Ubatuba. **Please be extra cautious while driving down the mountain ridge in the Serra do Mar - it is a very sinuous descend and we recommend to stick to the first and second gear and avoid descending during night time. After Serra do Mar continue until you reach the roundabout at Ubatuba where there is a big statue of a fisherman.**
4. In the roundabout in Ubatuba take a left in the direction to Paraty onto Rio Santos road. Follow Rio Santos for 42km until you see a sign for Praia de Picinguaba (km 8), turn right and follow the small road until the end (it will end in Picinguaba village).

We ask that you to call us when you pass by Ubatuba so we will be able to welcome you, help you with your luggage and indicate our private parking for your car. (+55 (12) 3836 9105 - please note that there is no cell service after Ubatuba.) Have a good journey!

### Warnings:

- Strictly obey speed limits as there are many automatic radars along the way.
- Avoid traveling at night or when there is heavy rain.
